

**NOMINATION FORM
SCHOOL COUNCIL 2020-2021
KENSAL PARK FRENCH IMMERSION P.S**

We are seeking nominations for Parent Representatives to the Kensal Park school council for the 2020-2021 school year commencing September 2020.

School councils are advisory bodies that operate within the Education Act and its regulations, Ministry of Education and Training guidelines, and the Thames Valley District School Board policies, operating procedures and contractual agreements. School council meets monthly during the school year.

School councils support parents and community members who want to make a difference in the school experience of their child and the student body. Parents and community members bring forward their projects to draw upon school council resources toward that project's success. School council supports projects to provide classroom materials and events to build student and parent capability and community. School council representatives make decisions about how the council will provide support. Council representatives participate in council meetings; direct and organize fundraising; disburse raised funds to support school and student activities; and encourage participation of students and parents.

School council includes eight to ten (8 to 10) Parent Representatives. The term of office is one (1) year. Representatives may seek additional terms. A Parent Representative is a parent/guardian of a student at Kensal Park who is not employed by TVDSB at Kensal Park. If employed by the Board elsewhere, a Parent Representative must declare such.

PLEASE NOTE: Parents of children attending the French Immersion Virtual School in 2020-2021 are eligible to participate in the school council as a parent at their home school. Kensal Park School Council welcomes the parents of all remote learners this year!

Please return the nomination form via email to kpschoolcouncil@gmail.com by 3:00pm, Friday, September 25, 2020.

Elections will take place at 6:30 p.m. on Monday, September 28, 2020. We hope you will join us in helping to build your child's future!
